

Bohai Industrial Investment Fund

Held since 2006

The Bohai Industrial Investment Fund was established in Tianjin in December 2006. The fund was promoted and established by all the investors by way of contractual arrangements. It has a total authorized capital of RMB 20 billion and the capital raised by the first trench amounted to RMB 6.08 billion. The investors are prominent domestic financial enterprises and investment institutions, including the National Council for Social Security Fund of China, China Development Bank, Postal Savings Bank of China, Tianjin Jinneng Investment Share-holding Co Ltd, Bank of China Group Investment Limited, China Life Insurance (Group) Company, China Life Insurance Company Limited and the Bohai Industrial Investment Fund Management Company.

The fund, which is closed-end, has an operating period of 15 years and invests in corporate equities. It focuses on modern manufacturing enterprises having innovative capabilities, new-and-high technology enterprises possessing self-developed intellectual property rights, transportation and energy infrastructure projects, as well as other projects that are in line with the industrial policies of the country.
